HON'BLE SHRI G.S.SINGHVI, THE CHIEF JUSTICE

AND

HON'BLE SHRI JUSTICE G.BHAVANI PRASAD

WRIT PETITION No. 6182 of 1991

Between:

Kona Vijaya Bhaskar Reddy and

others .. Petitioners

AND

The Revenue Divisional Officer,

Jammalamadugu, Cuddapah Dist. ..Respondent.

Counsel for the Petitioners: None

Counsel for the Respondent: Govt. Pleader for Land Acquisition

Dated: March 14, 2006

ORDER:

Per G.S.Singhvi, C.J.

This is a petition for issuance of a writ in the nature of mandamus directing the respondent to make reference to the competent Civil Court under Section 18 of the Land Acquisition Act, 1894 (for short 'the Act').

Although, no one has appeared for the petitioners, we do not consider it proper to

dismiss the petition in default or defer its adjudication on merits, because the matter has remained pending for the last almost 15 years.

The petitioners owned land in Krishnamagaripalli, Tondur Mandal, Cuddapah District. Their lands were acquired for some public purpose. Revenue Divisional Officer-cum-Land Acquisition Collector, Jammalamadugu of Cuddapah District vide his Award dated October 20, 1990 determined the compensation for various parcels of land. Immediately after receiving the notice of the Award, the petitioners submitted applications dated October 28, 1990 and January 4, 1991 for making reference under Section 18 of the Act. After some time they filed the present petition.

We have heard learned Government Pleader for Land Acquisition and perused the record.

It is borne out from the record that the adjudication of the writ petition was deferred in view of the pendency of the reference made in Writ Appeal No. 1752 of 2001 to a larger Bench.

Learned Government Pleader very fairly says that the reference made to the Full Bench has been answered on
September 19, 2003. He also concedes that the petitioners case is covered by the Judgment of the Full Bench.

We have gone through the Judgment of the Full Bench, the operative part of which reads as under:

> "In the view we have taken, we answer the reference holding that in the absence of any manner of protest having been specified in the Act and the time when protest is to be lodged, act of filing of an application seeking reference to Civil Court within the period of limitation prescribed under Section 18 of the Act will impliedly infer that the claimant/person interested had accepted the amount with protest. Not expressly lodging protest at the time of receiving amount in such circumstance would not amount to waiver of the right to seek reference under Section 18 of the Act."

It is an undisputed position that the petitioners had filed application for reference within the period of limitation, therefore, their case is squarely covered by the answer given by the Full Bench.

Consequently the writ petition is allowed and the respondent is directed to make

reference under Section 18 of the Act.

The needful be done within one month from the date of receipt of a copy of this order.

Note:

The Registry is directed to inform the petitioners that their writ petition has been allowed vide order of today and they may pursue their cause before the respondent and thereafter before the competent Civil Court.
